KALEIDESCAPE CINEMA ONE

The Ultimate Movie Player

The Kaleidescape Experience starts with the movies and music you love, delivered in the highest audio and video quality available. You'll enjoy your movies on DVD and Blu-ray disc in ways you never thought possible, without the delays of warnings, previews, menus or ads.

All your movies.
In full glory.

Kaleidescape is renowned for its celebrated line of movie servers installed in the most spectacular home theaters around the world. Cinema One delivers every bit of the incredible Kaleidescape Experience in a simple all-in-one component.

Cinema One is simply the best movie player on the market. It stores up to 100 Blu-ray quality movies and goes from zero to opening scene faster than any Blu-ray player in the world— without warnings, previews, menus, or ads. Unlike streaming services, Cinema One lets you enjoy all of your movies in the highest audio and video quality available.

Guide

Kaleidescape brings all your movies and albums together in an award-winning interface. Navigate by title, genre, director, or actor until you find the perfect pick. Or browse through a beautiful flow of cover art as our built-in Movie Guide inspires you with related titles, so you always have a fresh view of your collection.

App

The Kaleidescape App for iPad provides an immersive experience for browsing and searching your collection of movies and music. The app extends the Kaleidescape Experience to the iPad, displaying your movie collection with vivid high-resolution cover art, synopses, and other details.
